signals under IC 9-21-18.

(b) The lights indicate and apply to drivers of vehicles and pedestrians as follows:

(1) Green indication means the following:

(A) Vehicular traffic facing a circular green signal may proceed straight through or turn right or left, unless a sign at the place prohibits either turn.

(B) Vehicular traffic, including vehicles turning right or left, shall yield the right-of-way to other vehicles and to pedestrians lawfully within the intersection or an adjacent sidewalk at the time the signal is exhibited.

(C) Vehicular traffic facing a green arrow signal, shown alone or in combination with another indication, may cautiously enter the intersection only to make the movement indicated by the green arrow or other movement permitted by other indications shown at the same time.

(D) Vehicular traffic shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic lawfully using the intersection.

(E) Unless otherwise directed by a pedestrian control signal, pedestrians facing a green signal, except when the sole green signal is a turn arrow, may proceed across the roadway within a marked or unmarked crosswalk.

(2) Steady yellow indication means the following:

(A) Vehicular traffic facing a steady circular yellow or yellow arrow signal is warned that the related green movement is being terminated and that a red indication will be exhibited immediately thereafter.

If there is no crosswalk, vehicular traffic shall stop before entering the intersection and shall remain standing until an indication to proceed is shown.

(B) Except when a sign is in place prohibiting a turn described in this subdivision, vehicular traffic facing a steady red signal, after coming to a complete stop, may cautiously enter the intersection to do the following:

(i) Make a right turn.

(ii) Make a left turn if turning from the left lane of a one-way street into another one-way street with the flow of traffic.

Vehicular traffic making a turn described in this subdivision shall yield the right-of-way to pedestrians lawfully within an adjacent crosswalk and to other traffic using the intersection. (C) Unless otherwise directed by a pedestrian control signal pedestrians facing a steady circular red or red arrow signal may not enter the roadway.

(D) If the operator of a motorcycle, ~~motorized bicycle, motor scooter,~~ **motor driven cycle**, or bicycle approaches an intersection that is controlled by a traffic control signal, the operator may proceed through the intersection on a steady red signal only if the operator:

(ii) exercises due caution as provided by law, otherwise treats the traffic control signal as a stop sign, and determines that it is safe to proceed.

(4) No indication or conflicting indications means the following:

(A) Except as provided in clause (C), vehicular traffic facing an intersection having a signal that displays no indication or conflicting indications, where no other control is present, shall stop before entering the intersection.

(B) After stopping, vehicular traffic may proceed with caution through the intersection and shall yield the right-of-way to traffic within the intersection or approaching so closely as to constitute an immediate hazard.

(C) Vehicular traffic entering an intersection or crosswalk facing a pedestrian hybrid beacon may proceed without stopping if no indication is displayed on the pedestrian hybrid beacon.

SECTION 63. IC 9-30-4-6, AS AMENDED BY P.L.217-2014, SECTION 122, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2015]: Sec. 6. (a) Whenever the bureau suspends or revokes the current driver's license or driving privileges upon receiving a record of the conviction of a person for any offense under the motor vehicle laws, the bureau may also suspend any of the certificates of registration and license plates issued for any motor vehicle registered in the name of the person so convicted. However, the bureau may not suspend the evidence of registration, unless otherwise required by law, if the person has given or gives and maintains during the three (3) years following the date of suspension or revocation proof of financial responsibility in the future in the manner specified in this section.

(b) (a) The bureau shall suspend or revoke the current driver's license or driving privileges and all certificates of registration and license plates issued or registered in the name of a person who is convicted of any of the following:

(1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle.

(2) Perjury or knowingly making a false affidavit to the department under this chapter or any other law requiring the registration of motor vehicles or regulating motor vehicle operation upon the highways.

(3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months.

(4) Failure to stop and give information or assistance or failure to stop and disclose the person's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200).

However, and unless otherwise required by law, the bureau may not suspend a certificate of registration or license plate if the person gives and maintains, during the three (3) years following the date of suspension or revocation, proof of financial responsibility in the future in the manner specified in this section.

~~(c)~~ **(b)** The bureau shall suspend a driver's license or driving privileges of a person upon conviction in another jurisdiction for the following:

(1) Manslaughter or reckless homicide resulting from the operation of a motor vehicle.

(2) Perjury or knowingly making a false affidavit to the department under this chapter or any other law requiring the registration of motor vehicles or regulating motor vehicle operation upon the highways.

(3) Three (3) charges of criminal recklessness involving the use of a motor vehicle within the preceding twelve (12) months.

(4) Failure to stop and give information or assistance or failure to stop and disclose the person's identity at the scene of an accident that has resulted in death, personal injury, or property damage in excess of two hundred dollars (\$200).

However, if property damage is less than two hundred dollars (\$200), the bureau may determine whether the driver's license or driving privileges and certificates of registration and license plates shall be suspended or revoked.

~~(d)~~ **(c)** A person whose driving privileges are suspended under this chapter is eligible for specialized driving privileges under IC 9-30-16.

~~(e)~~ **(d)** A suspension or revocation remains in effect and a new or renewal license may not be issued to the person and a motor vehicle may not be registered in the name of the person as follows:

(1) Except as provided in subdivision (2), for six (6) months from

the date of conviction or on the date on which the person is otherwise eligible for a license, whichever is later.

(2) Upon conviction of an offense described in subsection ~~(b)(1)~~ **(a)(1)** or ~~(c)(1)~~; **(b)(1)**, or ~~(b)(4)~~ **(a)(4)** or ~~(c)(4)~~ **(b)(4)** when the accident has resulted in death, for a fixed period of not less than two (2) years and not more than five (5) years, to be fixed by the bureau based upon recommendation of the court entering a conviction. A new or reinstated driver's license or driving privileges may not be issued to the person unless that person, within the three (3) years following the expiration of the suspension or revocation, gives and maintains in force at all times during the effective period of a new or reinstated license proof of financial responsibility in the future in the manner specified in this chapter. However, the liability of the insurance carrier under a motor vehicle liability policy that is furnished for proof of financial responsibility in the future as set out in this chapter becomes absolute whenever loss or damage covered by the policy occurs, and the satisfaction by the insured of a final judgment for loss or damage is not a condition precedent to the right or obligation of the carrier to make payment on account of loss or damage, but the insurance carrier has the right to settle a claim covered by the policy. If the settlement is made in good faith, the amount shall be deductive from the limits of liability specified in the policy. A policy may not be canceled or annulled with respect to a loss or damage by an agreement between the carrier and the insured after the insured has become responsible for the loss or damage, and a cancellation or annulment is void. The policy may provide that the insured or any other person covered by the policy shall reimburse the insurance carrier for payment made on account of any loss or damage claim or suit involving a breach of the terms, provisions, or conditions of the policy. If the policy provides for limits in excess of the limits specified in this chapter, the insurance carrier may plead against any plaintiff, with respect to the amount of the excess limits of liability, any defenses that the carrier may be entitled to plead against the insured. The policy may further provide for prorating of the insurance with other applicable valid and collectible insurance. An action does not lie against the insurance carrier by or on behalf of any claimant under the policy until a final judgment has been obtained after actual trial by or on behalf of any claimant under the policy.

~~(f)~~ **(e)** The bureau may take action as required in this section upon receiving satisfactory evidence of a conviction of a person in another

1 state.

2 ~~(g)~~ **(f)** For the purpose of this chapter, "conviction" includes any of
3 the following:

4 (1) A conviction upon a plea of guilty.

5 (2) A determination of guilt by a jury or court, even if:

6 (A) no sentence is imposed; or

7 (B) a sentence is suspended.

8 (3) A forfeiture of bail, bond, or collateral deposited to secure the
9 defendant's appearance for trial, unless the forfeiture is vacated.

10 (4) A payment of money as a penalty or as costs in accordance
11 with an agreement between a moving traffic violator and a traffic
12 violations bureau.

13 ~~(h)~~ **(g)** A suspension or revocation under this section or under
14 IC 9-30-13-0.5 stands pending appeal of the conviction to a higher
15 court and may be set aside or modified only upon the receipt by the
16 bureau of the certificate of the court reversing or modifying the
17 judgment that the cause has been reversed or modified. However, if the
18 suspension or revocation follows a conviction in a court of no record
19 in Indiana, the suspension or revocation is stayed pending appeal of the
20 conviction to a court of record.

21 ~~(i)~~ **(h)** A person aggrieved by an order or act of the bureau under
22 this section or IC 9-30-13-0.5 may file a petition for a court review.

25 ~~(1) a term of incarceration; and~~

26 ~~(2) suspension of the person's driving privileges under this~~

28 ~~the suspension of driving privileges begins on the date the person is~~
29 ~~released from incarceration and not on the date the person is convicted;~~

30 SECTION 65. IC 9-30-6-9, AS AMENDED BY P.L.85-2013,
31 SECTION 96, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE
32 JULY 1, 2015]: Sec. 9. (a) This section does not apply if an ignition
33 interlock device order is issued under section 8(d) of this chapter.

34 (b) If the affidavit under section 8(b) of this chapter states that a

41 (2) until the suspension is ordered terminated under IC 9-30-5.

42 (c) If the affidavit under section 8(b) of this chapter states that a

 2 intoxicated, the bureau shall suspend the driving privileges of the
 3 person:

4 (1) for one hundred eighty (180) days; or

5 (2) until the bureau is notified by a court that the charges have

 17 of this chapter;

18 whichever occurs first.

19 (2) Notify the person of the right to a judicial review under
 20 section 10 of this chapter.

21 (e) Notwithstanding IC 4-21.5, an action that the bureau is required
 22 to take under this article is not subject to any administrative
 23 adjudication under IC 4-21.5.

24 (f) If a person is granted ~~probationary~~ **specialized** driving privileges
 25 under IC 9-30-5 and the bureau has not received the probable cause
 26 affidavit described in section 8(b) of this chapter, the bureau shall
 27 suspend the person's driving privileges for a period of thirty (30) days.
 28 After the thirty (30) day period has elapsed, the bureau shall, upon
 29 receiving a reinstatement fee, if applicable, from the person who was
 30 granted ~~probationary~~ **specialized** driving privileges, issue the person
 31 ~~probationary~~ **specialized** driving privileges if the person otherwise
 32 qualifies.

33 (g) If the bureau receives an order granting ~~probationary~~ **specialized**

5 petition the court to correct the court's order.
